Notice on strict implementation of pre-shipment inspection regional management for waste materials exporting to Mainland China

According to China AQSIQ regulation, with immediate effect, CCIC North America Inc. will no longer accept pre-shipment inspection and issue certificate for waste materials that belongs to the jurisdiction of other CCIC overseas Companies.

For inspection site within United States and Mexico territory, however cargoes need to be loaded at a destination port which belongs to the jurisdiction of other CCIC overseas Companies, we will verify inspection site (that is actual site where cargo is being loaded and sealed), keep bill of lading or container flow record provided by shipping company etc. as basis for certification. CCIC North America Inc. will not issue certificate if only explanation from customer is provided without bill of lading or container flow record provided by shipping company.

Thank you for your attention.

CCIC North America Inc.
